522	Light beige	1	•	•	•	•
541	Wood, light	1	•		•	•
543	Wood, dark	1	•			

Notes:

The colour samples are printed matter. There may be variations in colour and gloss level!

Differences in gloss level between external venetian blind slats, aluminium shutter profiles, plastic shutter profiles and powder-coated aluminium parts are due to technical factors.

Note on surfaces: external venetian blind slats have a glossy surface. External venetian blind slats with EasyClean coating, aluminium roller shutter curtains and plastic roller shutter curtains have a matt surface.

Special colours on request.
