

ALUPROFF DISPOSABLE CURTAINS - FIRE RETARDANT & ANTI-BACTERIAL

Aluproff disposable curtains are designed to replace your existing curtains in healthcare facilities such as hospitals, day surgeries, medical centers and other healthcare facilities. The disposable curtains offer a cost effective alternative to purchasing and washing reusable curtains. The curtains can with their proven ability to inhibit bacterial growth reduce infection risk.

The disposable curtain is 100 % recyclable together with other hospital plastic waste materials.
